ELEMENT
SUMMARY

elementchurch

From Pastor Erik and Christy Lawson

The world around us is very good about celebrating its successes - but we believe that God's people are the ones who really have a reason to celebrate. It is important for us to remember to pause and thank God for the work He's done, in our lives as individuals, and through the body of Element Church. That's what this "2013 Element Summary" is all about. It's an opportunity for us as a church family to pause and reflect on God's faithfulness.

Our vision at Element Church is Reaching People, Building Lives. In the last 12 months alone, 5,515 people have accepted Jesus as their Savior. That is something to celebrate! We are so thankful to see that people are growing in their walk with Christ.

It is our hope that this summary will be not only informational, but will be an encouragement to you of God's favor and blessing on and through Element Church. There are a lot of numbers on these pages, and we rejoice in knowing that every number has a name, every name has a story and every single story matters to God. This should help you understand why this church and God's Kingdom is truly a worthwhile investment. We serve a great God!

We pray that as you are encouraged by this summary, that you will be challenged to commit to finding your place and fulfilling your purpose in the local church. The church is not a building. The church is YOU, and the best is yet to come!

OUR VISION

Want To Experience God? weekendservices

The weekend services at Element are designed with the guest in mind. We strive to create a welcoming atmosphere where people are treated as family from the moment they set foot on the campus. We offer dynamic programming for kids and students where they can learn about God and experience church on their level! For the adults, our weekend services contain authentic worship, a relevant message and creative elements that will inspire you in your everyday life.

Want Community? smallgroups

Small Groups exist to bring the people of Element Church into life-changing relationships that encourage spiritual growth, provide Godly fellowship and accountability, and encourage, equip and empower them to use their gifts and passions to create disciples for Jesus Christ.

Want The Next Step? growthtrack

Growth Track is a catalyst to help individuals become fully devoted followers of Jesus Christ. The Track offers the tools necessary to make this a reality in their lives. From the initial decision to accept Jesus as your Lord to the final destination in life-changing ministry, Growth Track will lead people step-by-step from healing to growth and ultimately to the opportunity of fulfilling a leadership role within Team Element.

Want To Make A Difference? teamelement

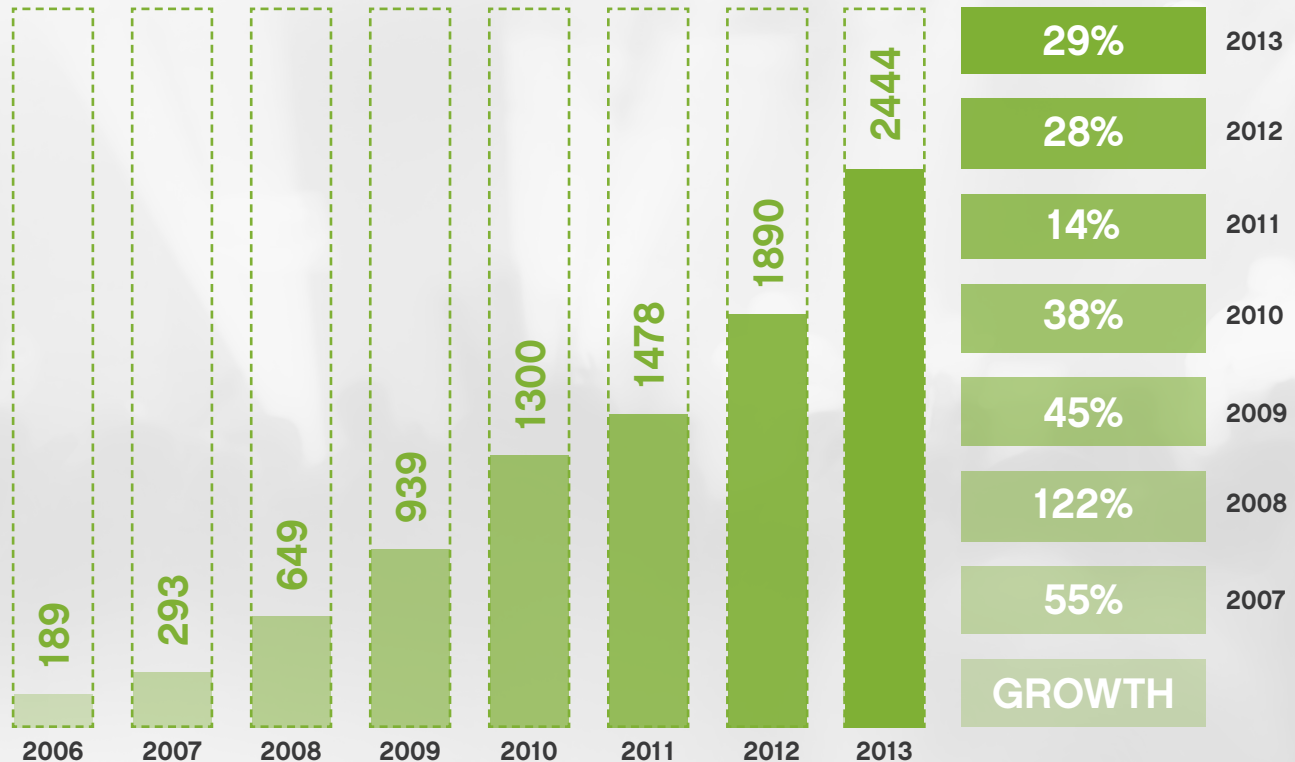

Team Element is a group of incredible people who have discovered their gifts and passions and are actively using them. Whether they are creating a welcoming environment on the Guest Services Team, leading the next generation by serving on the eKidz or Student Ministries Teams, crafting a dynamic experience with the Creative Team, or serving across our city by leading a Small Group, the members of Team Element are forcefully advancing the Kingdom of God.

Want To Reach Out? elementoutreach

Element Outreach is developed to be a transformative tool used for the benefit of individuals across our community, throughout the Greater St. Louis region, and around the world. We believe that a relationship with God is the greatest opportunity ever extended to a person. Through various efforts (Single Mother's initiative, Dave Ramsey's Financial Peace and our holiday outreaches) we continue to reach individuals at their point of need and help build their lives in Christ. This experience as Christ followers enables all to be liberated and hope filled.

"My mother-in-law invited us to her church to witness her water baptism. I had wanted to find a church to attend to provide my girls with a good moral background like I had. I was so worried that growing up without their father was going to ruin them. At my second visit to Element Church the Lord spoke to me and I gave my life to Him! Going to church every week was a pleasure and I couldn't wait to hear what wonderful message Pastor Erik had for me. I bought a study Bible and began to read the Word on a mostly daily basis. I attended all of the Growth Track classes, and was baptized along with my two beautiful daughters. I even got my mother to attend and enjoy watching her on the same path!"

Laura Farmer - Small Group Leader for our "Single & Parenting" group

Loren & Anita Misselhorn

“Loren and I started going to Element in January and decided at the second service we attended that we were ‘all in.’ We have placed God first in every single aspect of our lives, and boy, have our lives changed. Loren and I both grew up in the church but

never truly knew what it meant to walk with God.

We will never go back! I could share SO many stories of miracles that we have encountered over the past 9 months! We prayed about simply joining a small group and the Lord said no, you are going to lead a small group! He pushed us way out of our normal comfort zone, yet gave us such peace and excitement about it.”

Aaron & Danielle Clarke

“Before serving at Element we felt as if we were just another face in the crowd. Although services were great we felt there had to be something more. When we began serving, we started to find our purpose.

We became blessed with friends, mentors, and opportunity. Most importantly God began to speak to us about his vision for our lives. After stepping out and serving we feel as though we are part of a family and not just attending a church.”

GROWTH STRATEGIES FOR 2014

New Ministry Goals

In keeping with our goal of “Reaching People, Building Lives” we are actively planning new ministries to meet needs within our community. As we seek to expand our outreach programs additional funds will be needed (or use necessary) to accomplish the vision God has for our church.

Adding 4th Service

As Element Church continues to experience rapid growth, we will launch a 4th weekend service in early 2014. This added service will allow us to reach more people by adding ministry space and availability for families to attend.

Building Fund

Purchasing all or part of our ministry space will ensure our ability to serve and reach our community long-term.

Missions & Outreach

Element Church believes that we have to go beyond the four walls of our church building to reach people in our local community, to show them the love of Christ, and that there is a God that cares and has a purpose for people's lives.

Enrichment Center

The Mission of the Element Enrichment Center is to provide an environment that will strengthen community while nurturing relationships through educational, social, spiritual and health and wellness opportunities that are inclusive to all people. This non-profit 501(c)(3) center will focus on giving people the opportunity to mature, learn, and grow in an environment that will support their passions, interests, dreams, and goals.

NEXT STEPS

- Assess established community services
- Establish strategic partnerships
- Evaluate needs of current affinity groups
- Set basis for funding resources
